

Corvette Trip to Kentucky

Join us for the STLCC Fall 2021 Kentucky trip, the date is tentatively set for October 16-24(26)! We are planning on going to the [Corvette Museum in Bowling Green](#) for our first stop and overnight. Other places we plan to visit are [Mammoth Cave](#), [Shaker Village at Pleasant Hill](#), Abraham Lincoln sites, Bardstown, and surrounding distilleries, and then on to the mountains to the Pikeville area. On the way, we will stop and see the natural arch, [Cumberland Falls](#) and [Kingdom Come State Park](#). We will stop at the Breaks Interstate Park for lunch and beautiful views. Then on to the [Red River Gorge](#), Natural Bridge State Park and on to Lexington. While in Lexington, will visit the Kentucky Horse Park, [Aviation Museum of Kentucky](#), lunch at the Kentucky Castle, visit Frankfort and drive through horse country. The group can choose to go home from here or stay for a visit to the [ArK Encounter](#) and the [Creation Museum](#) before heading home. Lots of fun seeing cars, seeing historic places, tasting bourbon, seeing beautiful country and horses! Hope you can join us! For more information you may contact Barbara Payne at barbiejpayne@yahoo.com.
