### MAN OWNED & DROVE THE SAME CAR FOR 82 YEARS:

They certainly don't make them like that anymore.

This man owned and drove the same car for eighty-two years. Can you imagine even having the same car for eighty-two years?

Allen Swift, of Springfield, Massachusetts received this 1928 Rolls-Royce Piccadilly-P1 Roadster from his father, brand new ----- as a graduation gift in 1928.

He drove it until his death last year.....at the age of 102 !

He was the oldest living owner of a car that was purchased new.

Just thought you'd like to see it.

It was donated to a Springfield museum after his death.

It has 1,070,000 miles (that's one million, seventy thousand) on it, still runs like a Swiss watch, dead silent at any speed, **and is in perfect cosmetic condition. That's approximately 13,048 miles per year (1,087 per month)...**

**Subject:** Corvette Club Happy Hour

Planning a Happy Hour for Friday, June 6th at Billie's Bistro, 5445 Telegraph Road (South County). The Happy Hour there runs from 4:00 to 7:00, but if we want, Billie will extend the happy hour prices for us.

Happy Hour will consist of Half Price Pizzas, some of their Appetizers \$5.00, \$12 Domestic Buckets of Beer, Wine \$4.50, Well Drinks \$4:00. They also serve dinner specials.

When I talked to Billie last night she was very excited to accommodate us - she just purchased a 2007 Corvette.

If interested, please let Jan and Gary Murray know by June 1st so Billie has a general count of how many to set up for. Any questions, just let us know.

Thanks

## Did You Know That the St. Louis Corvette Club participated In The Opening Ceremony of the 90<sup>th</sup> Running of the Indianapolis 500?

Since we have had a lot of new members since 2006 I thought I would let them know about the club participating in the opening day ceremonies of the Indy 500. If I remember this correctly, I believe the track contacted GM and asked if they could provide 90 Corvettes for the 90<sup>th</sup> running of the 500. GM contacted the National Corvette Museum to see if they could provide the cars. They in turn contacted our good friends Jim and Sharon Love in Indianapolis who were NCM Ambassadors at the time. Since their club couldn't provide all those cars they contacted Carl Ballinger and Jerry Craig who they met through the Motorama several years before.

So after doing a car show, I believe 17 of us drove over to Indy. On Sunday we all drove to the track and met up with everyone else. We got lined up in the holding area and then got to drive on the actual track! What was even more special was the first three cars leading us. While Sharon was in the lead in the pace car, Jerry and Armynta Craig, Jim Love and Carl and Sharon Ballinger all drove their cars at the head of the line! Since they were going to begin time trials we couldn't run our a/c because they did not want any moisture on the track. After waiting for a while we all did a parade lap. Unfortunately we had to remain 3 abreast and drove about 30 miles an hour! But what an experience it was! The guy next to me had a supercharged C5 and I couldn't even talk to Mary Ann because it was so loud. After the parade lap we all parked our cars in the paddock area and were treated to a lunch provided by GM. We spent several hours roaming the pit area and saw several drivers.

Those of us who drove that day all got a dash plaque to commemorate the event. I've put a picture of mine with the article. I think of all of us who went to Indy, I believe myself, Carl and Pat Cox and Jim and Sharon Love still have their same cars so they may still have the plaque. If you go to our website and look at the photo archives, check out the year 2006 and the May trip to Indy.

### **New Business**

Mike Price asked if there was any interest in participating in the Ballwin Day's Parade the morning of June 7<sup>th</sup>, prior to the Luau. There was no interest, so the issue was tabled.

Mike reviewed the issues with the 3 items that membership needed to vote on:

- 1) The Charity Committee's chair, Michelle Finn, made a motion requesting the 50/50 proceeds be split between the 2 charities that were not chosen last year: Helping Strays of Monroe County, ILL and Love U2 pieces. Per our by-laws, the 50/50 funds have to be deposited into the general fund and then the membership can vote to support the charities out of the general fund. It was decided to wait until November to review the amount collected from the 50/50 raffle and then put the issue to a vote. In the meantime, Michelle will sell raffle tickets as stated above.
- 2) Ron Hagenow made a motion for the club to purchase static clings for the Gold Star Parents. The club will keep the clings and use at the annual Veteran's Day parade. The cost of the clings would be \$300 + tax.- a paper vote was taken and passed 37 yes- 7 no.
- 3) Our club is a lifetime member of the National Corvette Museum. For the past two years, Judy and Marty Dooley have purchased the club banner for display all year outside the Museum. Marty made the following motion: Each year the old club banner would be raffled off at the club picnic and the proceeds be used to purchase the next year's banner. The club would supplement if the proceeds are not enough

to cover the cost. The club banner cost increased from the previous \$300/yr to \$500/yr. Marty withdrew his motion until further discussion could happen.

### **Announcements from the floor**

Mike Kirby noted that he has 5 hotels booked for the trip out west and also a train trip in Durango. He has information about the 12 day trip planned from July 16<sup>th</sup>-26<sup>th</sup>.

## STLCC Recipes

Submitted by Judy Giovanoni

*Ed. Note: This recipe was handed down from my Mother. Mom (and now Judy) makes this cake only once a year for my birthday.*

### BANANA CAKE

- $\frac{3}{4}$  cup sour milk: add 4 tsp vinegar to milk; let sit
- $\frac{3}{4}$  cup shortening or butter
- $2\frac{1}{2}$  cups sugar
- 3 eggs
- 2 cups ripe mashed bananas: about 5 medium or 4 large
- 3 cups flour
- $1\frac{1}{2}$  tsp baking soda
- $\frac{1}{4}$  tsp salt
- $1\frac{1}{2}$  tsp vanilla

Prep time: 75 minutes

Cream shortening and sugar together. Add 3 beaten eggs; cream together well. Mash bananas well in a dish. Sift together all dry ingredients. Add bananas, sifted dry ingredients, and sour milk alternately to first mixture. Mix well after each addition. Add vanilla and mix well. Bake in greased and floured pans, 9" round or 13x9, at 350 for 1 hour, or until golden brown, and toothpick comes clean. Note: This is too much batter for 8" pans.

For muffins, use cupcake papers and bake for 23-24 minutes. Makes 36-40 muffins. They do not need to be iced.

Tip: If making the cake and wanting to use whipped cream icing, be sure the cake is completely cool. This is a dense cake and it may seem cool but the center is still warm. After an hour of cooling on the counter, you can put it in the refrigerator to cool completely.

### WHIPPED CREAM ICING FOR BANANA CAKE

- 2 cups (1 pint/473 ml) heavy whipping cream
- 1 tbs granulated sugar
- 1 tsp vanilla
- 2-3 bananas

Beat whipping cream with sugar and vanilla. Whip until stiff. Do not overbeat. For best results, chill bowl and beaters in the freezer before whipping cream.

To ice cake, chill cake in refrigerator for a few hours or overnight. Ice with whipped cream, placing fresh banana slices between layers and on top. Use firm bananas with green tips for the slices, not ripe bananas.
